

**Attention All BROWNS Fans!!!!**

**Have a lot of fun and win \$\$\$\$ at  
The same time while supporting some  
Great kids at NCOCE.  
Kick an extra point for children with  
Cerebral palsy.  
Buy a square to win. Buy a square to support  
NCOCE.**

### **HERES HOW IT WORKS**

**The cost of a square is \$80 for the entire Brown's Season. SIXTEEN GAMES, that comes out to only \$5.00 per game. If that is too much for your budget, split the cost with a friend. You can also post date your check to August 30.**

**We are going to change it a little this year, so you have even more chances to win. You will get two sets of numbers for each game instead of one, one for the first half and one for the second half.**

**A total of \$250 will be paid out for each game. \$50 will be paid for the score at the end of the first, second, third and fourth quarters and \$50 for the final score. If the fourth quarter score and the final score are the same (no overtime) \$100 will be awarded to that square holder. A total of \$4000 will be paid out to the winners throughout the Browns regular season.**

**All squares must be returned no later than September 1<sup>st</sup>, 2010. Squares will be assigned on a first come first serve basis. If over one hundred squares are sold any squares over 100 will have their money returned. All sixteen weeks will be emailed to you before the start of the regular season.**

**PLEASE MAKE SURE TO INCLUDE YOUR EMAIL ADDRESS**

**Yes, I would like to purchase a square!!!!**
